A good oil heater filled with Pearl Oil gives agreeable comfort. At the touch of a match there is friendly warmth. No smoke, no odor, no dust, no dirt. It is convenient—easy to carry about, and economical—oil is consumed only when heat is needed—no waste.

Pearl Oil is refined and re-refined by our special process which makes it clean burning. For sale in bulk by dealers everywhere—the same high-quality kerosene as the Pearl Oil sold in five-gallon cans. There is a saving by buying in bulk. Order by name—Pearl Oil.

We recommend Perfection Oil Heaters.
